

COVID 19 RELIEF WORK UNDERTAKEN BY VARIOUS PROJECTS OF MYRADA – 2020

Activities :

- Provision of food kits to vulnerable groups; provision of food kits to migrant families (Raichur and Hosur).
- Provision of hygiene material – sanitisers, soaps, masks, sanitary pads to vulnerable communities.
- Provision of clothes to migrants (Gulbarga, in association with *Charaka*).
- Awareness programmes – social distancing, wearing of masks, hygiene and nutrition practices, symptoms of Covid – through meetings and IEC materials.
- Awareness programmes broadcast on community radio (Kolar); more than 10 hours covering 150 villages, included interviews with health workers; motivation to clear roads blocked by villagers.
- Support to farmers for transport : both marketing produce (vegetables, fruit, etc.) and procuring farm inputs (fertiliser, seeds, etc.).

→ **Financial Support:** *HIDA, Child Fund*, local support such as government departments, NGOs and local organisations (including coordination support).
