INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF THE BOARD

REPORT ON THE FINANCIAL STATEMENTS

Opinion :

We have audited the accompanying financial statements of **MYRADA (Mysore Resettlement and Development Agency), Bengaluru** which comprise the Consolidated Balance Sheet as at 31 March, 2022 and the Consolidated Income and Expenditure Account for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the said accounts read with Note-II of Schedule-IX thereon, give a true and fair view:

(a) in the case of the Consolidated Balance Sheet, of the state of affairs of **MYRADA** as at 31 March, 2022;

and

(b) in the case of the Consolidated Income and Expenditure Account, of the **SURPLUS** for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs). Our responsibilities under those standards are further described in Auditor's Responsibilities for the audit of the Financial Statements section in our report. We are independent in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the Ethical Requirements that are relevant to our Audit of the Financial Statements and have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements :

The management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of MYRADA.

This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of MYRADA and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing MYRADA's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate MYRADA or to cease operations, or has no realistic alternative but to do so.

The management is also responsible for overseeing MYRADA's financial reporting process.

Auditor's Responsibility for the audit of the financial statements :

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on MYRADA's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause MYRADA to cease to continue as a going concern.
- Evaluate the over all presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Further, we report that :

- a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. in our opinion proper books of account as required by law have been kept by **MYRADA** so far as appears from our examination of those books;
- c. the Balance Sheet and Income and Expenditure Account, dealt with by this report are in agreement with the books of account.
